WHO IS MINISTA?

To begin, Minista is an American musician and Georgia born native who loves and respects his chosen art form. Minista is dedicated to recording quality music that reaches the consciousness of people. Minista also puts careful thought and consideration into his music before releasing it to the public.

In addition, Minista just released his first single titled, "Time To Win" featuring new artist, Raheem Reed. This single has received great reviews not only from family and friends, but from the majority of those that hear it for the first time.

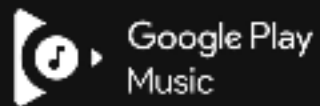

Minista says, "this is just the beginning for him. Stay tuned and follow the movement!"
